

Looking to Update NY HS Coaches Records

Hello fans, coaches and staff, officials, all....

I'm updating my Career Wrestling Coach's Tracker.

Looking to add those missing Coach's, Active and Retired, to the list. They all work very hard in this occasionally under appreciated sport.

Please provide the following information:

- 1.) Active or Retired...
- 2.) All schools Coached at the Varsity level...
- 3.) Career Record to end last season 2018-19'..
- 4.) Record this year 2018-19'...
- 5.) College attended....
- 6.) All records 100+ wins or higher (if close please include)...
- 7.) Anything else you might feel is pertinent...

I'll thank everyone in advance, let's do this these Coach's are very deserving of this recognition. Look at all the great boy's and girl's they have helped over the years.

Thanks again,
Glen M. Irving
