## PRINTING POST-SEASON NYS SEEDING SHEETS

After you have entered all of your duals and tournaments into the TrackWrestling database, follow the following procedure to print you NYS Seeding Sheets. These sheets must be signed by both the coach and the wrestler before entering your post-season tournaments.

### VERIFICATION OF W/L RECORDS FOR WRESTERS ENTERING POST-SEASON:

Step 1: Verification of Level: Click on your team's Schedule tab to display all your matches and tournaments. The 4<sup>th</sup> column over is for Level. Please make sure all Levels read either: Varsity, JV or Exhibition. Later in the process we are going to sort out all your wrestlers Varsity wins, and **if the Level is not set to Varsity, then those wins and losses will not print.**

Later in this document, it will tell you how to print your season record forms, but before you actually print you must:

Step 2: Verification of Forfeits: Based on the rules established in our Handbook, make sure you have correctly entered wins and losses by forfeits for all your wrestlers who received them. **YOU SHOULD NEVER SELECT THE CHOICE OF MEDICAL FORFEIT.** If you did at any time, please go back to that match and change it to just: **FORFEIT** (Forfeit rules from the handbook are included at the end of this document: pages 5-8).

Step 3: Verification of Doubled Results: Make sure to scan EACH wrestler's record sheet to make sure that wins or losses against the same opponent on the same date are not duplicated. Many coaches have caught duplicate entries. If any are found please go back to the match and delete one of them.

Step 4: Verification of W/L Record: Make sure EACH wrestler's Won/Loss record (listed on the last line) is correct. If any wins or losses are missing please go back to the match correct it.

## **PRINTING “SEASON RECORD FORMS” FOR ENTRY INTO POST-SEASON:**

You will need to make a separate printout for each wrestler you are entering into Post-Season. You do not have the option of being able to select all the wrestlers at one time this year. You must do each wrestler separately as follows, from your teams page:

- Select: **Matches**
- Select: **Print Matches**

For each wrestler individually:

- Select: **Wrestler’s Name**
- Select: **Varsity**
- Leave “Count Byes” as **NO**
- For Individual Season Record, hit the drop down arrow and Select: **Season Record Form**
- Select: **Submit**

When the form appears:

- Verify all wins and losses are correct before you print.

Print as follows:

- **Right click** anywhere on the form and then Select: **Print**
- When the print menu appears, find the **Layout choice** and change it from Portrait to **Landscape** (as this will make it print sideways on the paper, making it easier to read)
- Select: **Print**

Repeat the procedure for each wrestler you want to enter in Post-season

Notes for NYS:

- The NYS Seeding Column is currently blank. (Sections can manually put values in this column if needed for their Sectional Seeding meetings). Once the At-Large winners are determined, TrackWrestling will automatically assigned your wresters competition points if they have defeated returning state place winners during the year. The column will currently show all zeros but once you go to re-print these forms for any NYS tournament qualifiers, the column will show values for returning state place winners your wrestler defeated (You can use the attached chart on the next page to verify).
- At the bottom of the form (under the Total Regulars Season Competition Points total) is your wrestlers Placement Points. The Placement Points will also show as zeros to start with, but will be automatically assigned if your wrestler was a state placer last year, once it comes time to re-print the forms for NYS tournament seeding purposes. This value will automatically be updated on Tuesday 2/18 (after all Sectional Champs and “At-Large” qualifiers have been determined-See attached chart on page 12 to verify).

## NYS COMPETITION POINTS TABLE

**2014-15**

-A wrestler who defeats a NYS place winner from either D1 or D2 last year will earn the points listed in the following table.

-A spreadsheet entitled: **Results-13-14-ALLSections** is available from your Sectional Chairmen or any NYS Wrestling Committee Member. This spreadsheet lists all Sectional and NYS Placewinners from last year, alphabetically by school. The points earned by beating one of them are shown.

-There is no cap on the maximum number of times you can earn Competition Points for beating the same wrestler. The Competition Points are earned every time that you beat them.

-The only exception to the cap is if you defeat a NYS Qualifier (Section Champ or

At- Large winner) from the following Sections (as they have less than 12 teams with rosters of 15 or less.

**D1 Sections: 4,7, 10 and D2 Sections: 7,8,9,10,11, PSAL**

A wrestler can only earn 5 points for defeating a NYS Qualifier (Section Champ or At- Large winner from these Sections. However if the wrestler from these Sections was a State Place winner they would earn the Competition Points listed in the chart for the appropriate State Place (every time they beat them).

If they defeated the same wrestler more than once, they only earn the 5 points for the first victory.

-Wrestlers earn Competition points for defeating a wrestler who placed at the State last year, or who has qualified to wrestle at the States this year.

-No credit is given for defeating “Out of State” State placewinners as it was felt it would be too difficult to verify these points

## NYS PLACEMENT POINTS TABLE **2014-15**

-Wrestlers earn Placement points for placing at the State last year, or for qualifying to wrestle at the States this year.

-Wrestlers receive only one point value from this table (the higher point value) with the following exception: In a situation where a wrestler qualifies for states and was a Place winner in the **Top 4 last year and a State Champion, two years prior**, they will receive Placement points from the chart for last year's finish plus the additional 120 points for the previous State Championship two years prior.

-(If the wrestler was a State place winner last year, they earn those points only, they do not also get points for being a Sectional Champ or "At-Large" Qualifier this year.

## WRESTLING FORFEITURES

### Dual Meet Forfeits:

**Situation 1:** A team has multiple wrestlers weighed in at a weight class. When it comes time to produce a wrestler to compete at a weight class, the coach decides to forfeit the match.

Record as follows:

*Winner:* Earns a win by forfeit over the school (but not over any specific opponent)

*Loser:* There is no loser in this scenario, so no individual wrestler would take a loss on their record.

### Tournament-Forfeits: Due to injury/sickness

Acceptable reasons for injury/sickness: All of the following are acceptable reasons why a wrestler may not compete due to an injury/sickness: On site trainer does not let wrestler continue, On site trainer approves wrestler to continue but the coach does not let them continue, On site trainer and coach approves wrestler to continue but wrestler does not want to continue, no on-site trained available, coach does not let wrestler continue, and no on-site trainer available, coach approves wrestler to continue but wrestler does not want to continue.

Summary: The forfeit procedure (to follow) basically attempts to make the number of losses that a wrestler must take for withdrawing from a tournament consistent for both Individual Bracketed tournaments and Individual Round Robin tournaments. With the exceptions noted in Situations 2 and 6 below, a wrestler who withdraws from a tournament will normally be charged with just two losses.

### Tournament-Forfeits in Individual Bracketed Formats

**Situation 2:** A wrestler withdraws from a bracketed tournament.

*Winners over the withdrawing wrestler:* Earn wins by forfeit over the school and name of the wrestler who forfeited.

*Loser (the withdrawing wrestler):* The wrestler who withdrew takes a loss on their record against the school and name of the opponent they forfeited to in each and every round they are still scheduled to wrestle on the bracket.

Note: Most bracketed tournaments are double elimination so in this scenario the withdrawing wrestler is taking **two losses on their record**, as it would take two losses to remove them from the official bracket.

Note: If a wrestler had advanced to a semifinal (in a tournament that places the Top 6) the wrestler would receive **three losses on their record**: One for the semi, one for the consolation semi and a third for the consolation final for 5th/6th. The reason the wrestler would take an additional loss in this example is because they are earning a place in the tournament which would require an additional round beyond the double elimination.

### Not making weight on the second day of a bracketed tournament:

*Loser (the wrestler who did not make weight):* The wrestler who forfeited takes a loss on their record against the school and name of the opponent they forfeited to in each and every round they are still scheduled to wrestle on the bracket.

Note: They would be denied their place finish in the tournament and the team would not receive any placement points for the wrestler (but the team would earn any advancement or bonus points earned by the wrestler)-2013-14 Wrestling Casebook Manual p.66 \*10.2.7.

## WRESTLING FORFEITURES (cont.)

### Tournament-Individual Bracketed Formats

#### Sixth bout of the day:

**Situation 3:** A wrestler is not allowed to compete in a consolation round match because if they wrestled their next bout, it would be their 6th match of the day which would put them over the allotted 5 bouts per day.

Record as a “no contest”:

*Winner:* The wrestler who is eligible to wrestle (who has not exceeded their 5 bout limit) earns the higher place and earns a win by forfeit over the school of the wrestler who forfeited (not the name of the wrestler).

*Loser:* The wrestler would exceed the 5 bout limit: takes the lower place.

The wrestler who forfeited does not record the match and does not receive a loss on their record against the school and name of the opponent they forfeited to.

*Note:* If both wrestlers are not eligible to wrestle the consolation bout the two teams involved and both earn the lower place. Ex: Do not add the 5<sup>th</sup> and 6<sup>th</sup> place points and split them. There is no 5<sup>th</sup> place wrestler. Each wrestler will earn the 3 points for 6<sup>th</sup> place.

If a sixth bout of the day is wrestled the penalty for an ineligible wrestler as described in the NYSPHSAA handbook (page 99-100) would apply. In addition the violation must be reported to the Sectional Chairmen who must then report it to their Athletic Council for a determination if further action is required.

### Tournament-Individual Round Robin:

#### Tournament-Forfeits: Following an injury default

**Situation 4:** If a wrestler loses a match by injury default, the next remaining match they were scheduled to compete in (immediately following the injury default) shall be recorded as a loss by forfeit. Any remaining matches to be wrestled will not be counted as losses for the injured wrestler.

To be recorded as follows:

*Winners over the injured wrestler:* Earn wins by forfeit over the school and name of the wrestler who forfeited.

*Loser (the injured wrestler):* The wrestler who is forfeiting must record the match and does receive a loss on their record against the school and name of the opponent they forfeited to in the next round after the injury default. They do not have to record any additional losses in any remaining rounds.

**Note:** In this example, the injured wrestler is taking two losses on their record, one for the actual injury default and the next remaining match.

**Seeding:** Wins and losses count for seeding but wins and losses by forfeit do NOT count as head to head wins.

### Tournament-Individual Round Robin:

#### Tournament-Forfeits: Due to injury/sickness

**Situation 5:** A wrestler is either: injured or sick in a previous match but completes it with no injury default and then determines they cannot continue due to the injury/sickness, or an injury/sickness occurs sometime prior to their next match (which could be in warm-ups prior to their first match). Because of this injury/sickness, it is determined that the wrestler cannot continue in their next match. The coach should inform the Head Table that the wrestler is being scratched for medical reasons. The next two bout the wrestler was scheduled to wrestle become forfeits. All remaining matches are also forfeits but will not count as losses.

Record as follows:

*Winners over the injured wrestler:* Earn wins by forfeit over the school and name of the wrestler who forfeited..

*Loser (the injured wrestler):* The wrestler who is forfeiting must record the next two scheduled matches and does receive two losses on their record against the schools and names of the opponents they forfeited to. They do not have to record any additional losses in any remaining rounds.

**Note:** In this example, the injured wrestler is taking two losses on their record, for the next two schedule matches only.

**Seeding:** Wins and losses count for seeding but wins and losses by forfeit do NOT count as head to head wins.

## WRESTLING FORFEITURES (cont.)

### **Tournament-Individual Round Robin:**

#### **Tournament-Forfeits: Re-Entering a Tournament (after a Forfeits due to injury)**

**Situation 6:** Due to the nature of the injury or sickness a wrestler may forfeit a round of a tournament but return in a later round if they are feeling better. The coach should inform the Head Table when they originally scratch that there is a possibility that the wrestler may return in a later round and therefore the wrestler should not be removed from the round-robin bracket. The same procedures in Situation #2 and Situation #3 above will apply (should they re-enter but they have to scratch again). In this scenario a wrestler **could possibly earn four forfeit losses on their record** in the same tournament. The first two forfeit losses might be recorded when they first withdraw from two rounds due to injury/sickness. The second two forfeit losses could be recorded should they withdraw from a round due to injury/sickness a second time (after returning for a round or rounds after the initial forfeit loss).

### **Tournament-Individual Round Robin**

#### **Tournaments-Forfeit due to not wrestling on a 2nd Day:**

**Situation 7:** A wrestler who advanced on a bracket to the second day of a round robin tournament does not show up, does make weight, or is sick or injured on Day #2. Although they never take the mat:

Record as follows:

*Winners over the wrestler who is withdrawing:* Earn a wins by forfeit over the school and the name of the wrestler who withdrew.

*Loser (the wrestler who withdrew):* The wrestler who withdrew takes a loss on their record against the school and name of the opponent they forfeited to in the next two rounds they were scheduled to wrestle. They do not have to record any additional losses in any remaining rounds.

**Note:** To stay consistent with recording forfeit losses in a bracketed tournament the injured wrestler is taking **two losses on their record**, for the next two scheduled matches only.

### **Tournament-Individual Round Robin:**

#### **Weight Class is short entries**

**Situation 8:** In a round robin pooled tournament a weight class is short one or more entry(s) due to a team(s) not having a representative(s) at that weight class. The missing entries become BYES and not forfeits.

Record as follows:

*Winner:* Earns a Bye in each round they were scheduled to wrestle a school without an entry.

*Loser:* There is no loser as no wrestler was entered in the weight class.

### **Tournament-Individual Round Robin:**

#### **JV wrestler inserted as a forfeit**

**Situation 9:** In a round robin pooled tournament a weight class is short an entry due to a team not having a representative at that weight class. Another team enters a “JV” or “extra” Varsity wrestler in the weight to fill the bye. But this wrestler never actually wrestles; they are entered but will forfeit all of their matches.

Record as follows:

*Winner:* Earns a win by forfeit over the school and the name of the “extra” wrestler who forfeited.

*Loser:* The “extra” wrestler who forfeits each round takes a loss on their record against the school and name of the opponent they forfeited to for the first two rounds only. This “extra” wrestler must count the tournament as one of their 6 tournaments and it will cost them 2 points towards their 20 point maximum and they will take two losses on their record.

## WRESTLING FORFEITURES (cont.)

### **Tournament-Flagrant Misconduct Removal:**

**Situation 10:** A wrestler is removed from a tournament for Flagrant Misconduct. The deduction of team points is three plus all points earned in the tournament by that wrestler. With respect to won/loss records: Even though team points and points earned from that individual are being deducted because of the flagrant misconduct, the previous matches still count because the bracket does not change.

Record as follows:

*Winner by DQ: Flagrant Misconduct:* Earns a win by DQ over the school and the name of the wrestler who was just disqualified.

*Loser by DQ: Flagrant Misconduct:* The disqualified wrestler takes a loss against the school and name of the wrestler they were wrestling at the time of the DQ. All wins and losses earned in the tournament prior to being disqualified are not erased and count on their won/loss record. Any other wrestlers who faced the disqualified wrestler prior to them being disqualified will have the wins and losses stand.

Example: If there is an 8-person bracket and Wrestler A won their quarter and semifinal match they would be 2-0 going into the finals match. The two matches are completed and the results count with respect to win-loss records. If the flagrant misconduct happens during the finals, it would be a loss for Wrestler A and a win for Wrestler B. Scoring: Deduct three team points and remove all previous team points earned in the tournament by Wrestler A.

Note: In cases where the wrestler who was DQ'd for flagrant misconduct still had scheduled matches to wrestle, the disqualified wrestler takes additional losses by forfeit against the school and name of the wrestler they were still scheduled to wrestle. The wrestlers they were still scheduled to wrestle earn wins by forfeit over the name and school of the wrestler DQ'd for flagrant misconduct.

Note: To be consistent, if the wrestler DQ'd for flagrant misconduct still had scheduled matches to wrestle in an **Individual Round Robin tournament**, then they would only take **two losses by forfeit** for the next two rounds they were scheduled to wrestle.

### **Tournament-Withdrawal by School Administration**

**Situation 11:** Reason for withdrawal is not the fault of the wrestlers

An entire school is withdrawn by their school administration (could either be forced to leave a tournament early or to not be able to return at all for a second day). Some possible reasons for withdrawal by school administration could be for weather conditions or if a team with only one coach, has an injured wrestler who must go to the hospital and the coach is required to go with him, thus leaving no one else to coach the team.

Record as follows:

*Winners:* Earn wins by forfeit over the school of the wrestler who forfeited (not the name of the wrestler).

*Losers (team that left):* The wrestlers who forfeited do not record the matches and do not receive losses on their record against the school or names of the opponent they forfeited to.

**Seeding:** Wins and losses count for seeding but wins and losses by forfeit do NOT count as head to head wins.
